Commissioner for Patents

The reply filed on December 2, 2005 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s). The response asserts correctly that the Shah patent 6,808,886 has been withdrawn. In view of further analysis, it appears as though the patent was withdrawn in view of a petition to consider an IDS. Upon consideration of the IDS, the Shah application was again issued as a patent and given the number 6,916,621. As a courtesy to applicant, a copy of the 6,916,621 patent has been enclosed for consideration and response. The Shah patent 6,808,886 and 6,916,621 are identical in disclosure. See 37 CFR 1.111.

Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).** Any inquiry concerning this communication or earlier communications from the examiner should be directed to examiner Jeanine Goldberg whose telephone number is (571) 272-0743. The examiner can normally be reached Monday-Friday from 7:00 a.m. to 4:00 p.m.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Gary Jones, can be reached on (571) 272- 0745.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).

The Central Fax Number for official correspondence is (571) 273-8300.
